Background Checks for all Applicant Types

Comnetix can electronically capture fingerprints and submit them from any of our Canadian locations through our central server located in Ottawa. This service is available for individuals seeking a criminal background check for all non-criminal purposes, including but not limited to;

*** Immigration and Citizenship Applicants * Foreign Travel Visas * All Employment Applicants * Pardon Applicants * US Waivers * International Adoptions * Volunteers * All Other Non-Criminal Purposes ***

Comnetix uses state-of-the-art Live Scan Technology to provide a professional, economical and time-efficient solution for criminal background checks initiated at any of our offices. Alternately our mobile unit can go to your office on your schedule all with results returned in days rather than months. Comnetix can also:

- Arrange monthly billing accounts for employers and intermediaries such as background screening companies;
- Offer extremely competitive rates for routinely scheduled mobile services;
- Discount our rolling fees for volunteers and volunteer organizations; and
- Help your fund-raising efforts with revenue-sharing fingerprinting opportunities.

What are some of the advantages of using Comnetix Services?

*With 26 years of international experience in the biometric industry, we are the most technologically advanced provider of fingerprints in Canada.

*We employ retired or former Canadian police officers ensuring a secure environment for the taking of fingerprints.

*We offer easy to find, convenient locations across Canada.

*We offer "revenue sharing" opportunities to any agency with ongoing high volume fingerprinting requirements.

*All our locations are supported by our own highly skilled technical staff ensuring little or no down time of the equipment.

*We are an RCMP accredited fingerprint agency.

*Our technology is certified by both the RCMP and the FBI

*We offer full processing of your fingerprints, i.e., from our offices to the RCMP and returned to you. You no longer have to worry about mailing the fingerprint cards yourself.

*We offer fingerprinting for FBI and all US State checks as well as all other international checks.

What are the fees?

Rolling fees vary from \$35 to \$50 across Canada, depending on the circumstances. Discounts are available for larger volume clients. *Please call your local Comnetix office for further information about pricing.

**Depending on the reason for the fingerprints the RCMP may charge a \$25 processing fee.

How long does the fingerprinting process & RCMP search take?

The fingerprinting process takes approximately 5 minutes and, when fully electronic, the RCMP will return results within 72 hours.
